

# Taylor Parsons

taylorparsons0517@gmail.com [linkedin.com/in/taylor-parsons](https://www.linkedin.com/in/taylor-parsons)

Motivated and versatile. Offering strong communication and team working skills, and eager to learn experience and develop my skills and expertise. Seeking roles and opportunities where I can apply my strengths and continue to grow

---

## Experience

### Park Design & Print - Printing Assistant, Havant, Hampshire

Nov 2021 - Sep 2023

Operated digital printing machinery to produce print products, primarily school exercise books and items for external clients.

### R&M Electrical - IT Assistant, Eastleigh, Hampshire

Mar 2024 - May 2024

Planned, and developed a client quote management system using Microsoft Power Apps, alongside basic system administration.

### University of Portsmouth - Graduate Showcase

June 2024

Selected to be showcased in the university graduate showcase for mine and my team's first year game development project. I produced and managed the development of my team's project utilising an agile workflow.

## Education

### University of Portsmouth - Computer Games Production

Sep 2023 - PRESENT

I am learning how to lead a team of game developers with the aim of developing a game product. Alongside this I am growing my leadership and programming skills.

### City of Portsmouth College - L3 Digital Media, L3 BTEC Music Technology, Portsmouth

Sept 2020 - Jun 2023

Graduated with a Merit Merit in Digital Media, and a Pass in L3 BTEC Music Technology.

### Park Community School, Havant, Hampshire

June 2024

Graduated secondary school passing my core subjects, and passing my optional. Including

- Computer Science
- Art
- History
- Horticulture

---
